

Take the long way home (Supertramp)

Intro

**So, you think you're a Romeo
Playing a part in a picture show
Take the long way home, take the long way home**

**'Cause you're the joke of the neighborhood
Why should you care if you're feelin' good?
Take the long way home, take the long way home**

But there are times that you feel you're part of the scenery (Aah)
All the greenery is **comin' down, boy**
And then your wife seems to think you're part of the furniture
Oh, it's peculiar, she used to be so nice

**When lonely days turn to lonely nights
You take a trip to the city lights
Take the long way home, take the long way home**

**You never see what you want to see
Forever playing to the gallery
Take the long way home, take the long way home**

And when you're up on the stage, it's so unbelievable (Aah)
Unforgettable, **how they adore you**
But then your wife seems to think you're losing your sanity
Oh, it's calamity, is there no way out?

Intro

Does it feel that your life's become a catastrophe? (Aah)
Oh, it has to be, **for you to grow, boy**
When you look through the years and see what you could have been
Oh, what you might have been, If you had more time

**So when the day comes to settle down
Well, who's to blame if you're not around?
You took the long way home, you took the long way home**

**You took the long way home, you took the long way home, you took the long way home
You took the long way home, you took the long way home, you took the long way home**

Aaah – Oooh – Aaah

Long way home, long way home, long way home, long way home
